

South Carolina Vegetation Management Association is sponsoring:

Pesticide Exam Review Session
And
SC Pesticide Certification Exam

When:

Review Session-Tuesday, July 19th, 8:30 am until 5:00 pm (lunch provided)
Pesticide Certification Exam-Wednesday, July 20th, exam begins at 9:30 am

Where:

Both events will be held at the SCDOT Rock Hill Maintenance Facility. Address is:
338 Robertson Road, Rock Hill, SC 29730

Cost:

Review Session	\$75.00
Core and Category 6 Exam	\$100.00

What:

The review session will cover the core manual and Category 6 (R/W) manual to prepare the participants to take the certification exam. A full day in the classroom will cover pesticide labels, environmental factors, knowledge of pesticides and pest, pesticide laws, pesticide equipment and application techniques, and safe pesticide use. Participants should read both study guides before attending the review session. Exam study materials are **NOT** covered in the cost. Manuals can be ordered in advance through the Clemson Department of Pesticide Regulations website: (www.clemson.edu/public/regulatory/pesticide_regulation/).

Pesticide exam pre-registration is required no less than two weeks prior to the exam session. The exam will be administered by the Department of Pesticide Regulation. The exam consists of two parts: a general knowledge "Core" exam and a Category 6 - Right of Way Pest Control exam. Cell phones are not permitted in the exam session. All participants must present a photo ID at the exam session. A refund will not be granted once you have pre-registered for the exam.

How to register:

- **REVIEW SESSION**- Go to the SCVMA website (www.scvma.net) to register for the review session. You are NOT automatically registered for the exam by signing up for the review.
- **EXAM**- Use the Pre-Registration form to register for the exam. Fill out the form and send it back to Department of Pesticide Regulation along with your payment (\$100).
